

# BRIN - 2<sup>nd</sup> meeting

## « Discovering a new technology : the PYROFAB and products from pyrolysis »

*Meeting organised by Rittmo Agroenvironnement, in Colmar, the 7<sup>th</sup> of October 2015*

\*BRIN : Bioénergies : Rencontres, Initiatives, Networking

### 09h30 : OPENING OF THE 2<sup>nd</sup> BRIN

09h30 – 10h00 : Welcoming guests

 10h00 – 10h30 : General presentation of the BioenNW project (Joanna FLETCHER, **EBRI - ASTON UNIVERSITY** and Laure METZGER, **RITTMO**)

 10h30 – 11h00 : Ecotoxicological impact of biochars (Myriam ECK, **RITTMO**)

 11h10 – 11h40 : Biochars in nitrate and phosphorus plant nutrition (Mohammed BENBRAHIM, **RITTMO**)

 11h50 – 12h20 : Effects of biochars on soil fungus communities (Najat NASSR , **RITTMO**)

### 12h30 – 14h00 : OFFERED BUFFET BY RITTMO

 14h00 – 15h00 : Visit of the PYROFAB (Kumar VALLATHARASU, **EBRI - ASTON UNIVERSITY**)

 15h00 – 15h25 : Effects of supplying soil with biochar on roots structure (Aurélie EGERT, **RITTMO**)

 15h25 – 15h50 : Induced resistance by biochars (Aurélie EGERT, **RITTMO**)

16h00 – 16h15 : Pause

 16h15 – 16h30 : Effects of biochars on biomass in growing media (Laurent KREMER, **RITTMO**)

 16h40 – 17h30 : Future projects on biochars

### 17h30 : END OF THE 2<sup>nd</sup> BRIN

*We can help you finding a hotel in Colmar. Ask for addresses while registering for the meeting.*
